

Sample story

Once upon a time, in a beautiful village called 'Virpur', there lived 4 friends, 'Moti' the puppy, 'Maxi' the cat, 'speedy' - the rabbit and 'Nikita' - the cute little village girl. They all were very good friends. But they always made fun of a parrot called 'Sonu'. They did not allow him to play with them. Poor Sonu alone went for a stroll in the sky.

The parrot replied, " I am not afraid of you. I will never betray my friends.

'Sheru' the lion spotted him

" I am hungry. Tell me where Maxi, speedy and all of them are playing. I want to eat them. If you don't tell me, I will eat you.

And off flew away sonu to alert his friends

Friends, run. Sheru is coming
to eat you all.

Thanks a lot sonu!
you saved our lives !!

Thanks a lot sonu!

Since That Day, All Of Them Lived As Friends And Lived Happily

Parents, this was just a sample story, please encourage Kids to use their own creativity. This is a lovely way for the parents to make kids more expressive. Have a great story time!
